Notice to clerk (NEED CASE SUMMARY DOCKET SHEET)

I have been requesting a copy of the case summary docket sheet for the last 2 months I don't know if you have sent a copy, because I have not received it please forward a copy to the updated address above

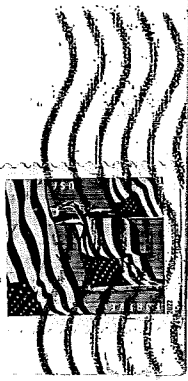

Question For Clerk

I do not understand why you sent over 18 summons back to me in the likely hood that my amended motion is accepted by the courts I will be required to resend numerous documents again to you the first time you resent them you told me to fill them out correctly, you stated nothing about not having a court order to issue the summons, nor is it required in order for you to accept my summons it would seem at this time that you are attempting to sabotage my case...? For I have received no court order demanding you return my summons.
